

# GRIGORI FAMILY RESERVE SHIRAZ

Our Family Reserve range is the culmination of over 40 years of Grigoriou family winemaking tradition. Selected vineyards are chosen in Australia's most prize wine regions to create regional wines of substance and longevity. With extended oak maturation and traditional, gentle handling, our Family Reserve range are super premium wines that are not only incredibly beautiful to drink but also tell a story about our family history.

This wine is rich, deep and red in colour with a generous bouquet of pepper and spicy red fruits. The nose offers a complex bouquet of fruit and spice, with coconut and blackcurrant, enhanced by toasty cigar box nuances produced by oak maturation. The palate is a highlight of the wine exhibiting bright black cherry, balanced by a leathery earthiness with fine tannins.

The fruit for this wine was harvested with careful row selection yielding the best possible parcels for use in this blend. The fruit was harvested within the range of 14.5 to 15.0 Baume, once it had developed a full intensity and complexity of flavours, embodied by a full rounded tannic structure, important for mouth feel and providing long, complex flavours on the finish.

## PALATE

## NOSE

- ✓ Pepper
- ✓ Plums
- ✓ Mulberry
- ✓ Vanilla
- ✓ Forest berries

## FOOD MATCH

- ✓ Cheeses
- ✓ Italian cuisine
- ✓ Red meats
- ✓ Greek
