

LIVING RIVER ORGANIC CHARDONNAY

Living River is an organic range from our Certified Organic vineyards. The organic wine is produced with love and care while having a strong focus on sustainability.

Our vineyards are in the Riverland, which is home to Australia's largest river system, the Murray River. Before European settlement to this area, this was home to the Erawirung Tribe of Indigenous people.

This is a soft, full flavoured wine showing citrus peel and honeydew melon fruitiness. The texture is creamy and viscous yet has a lovely lemony finish to cleanse the aftertaste. A finely balanced wine that delivers all the attributes you would expect from the sunny Riverland of South Australia. 100% of the grapes used in the production of this wine were from our Certified Organic Vineyards, guaranteeing the pristine nature of the fruit.
