GRIGORI VINTNERS SAUVIGNON BLANC

Our Grigori Vintners wines are our representation of Australia's largest and most important wine producing regions, sourcing fruit from different vineyards across the country, from the warm climate of the Riverland to the cooler Heathcote region. The wines are multi-regional blends that highlight the best Australia has to offer, creating wines even greater than the sum of their parts.

With Shiraz, Cabernet Sauvignon, Merlot, Chardonnay and Sauvignon Blanc produced under this label, we can show the best that our region has to offer at a competitive price point.

Our Grigori Vintners label marries these respectable and beloved vine types with modern winemaking to craft wines with focused flavours, silky fruit and soft, supple tannins.

A bright, fruity and easy drinking wine, the nose opens up with herbaceous aromas of freshly cut grass. The palate showcases fresh tropical fruits and a lovely bright acidity, making this wine a perfect aperitif style drink.
